Clinical Decisions Lead	10.12.2024	Declined	N/A	Invited to an evening event and networking dinner focussed on management of patients with type 2 diabetes who are on multiple daily injections of insulin. This event is hosted by Abbott who are one of the Pharma companies who are commissioned to supply eligible HWE patients with continuous glucose monitors. However, patients with type 2 diabetes who are on multiple daily injections of insulin are not currently funded for CGM.	Not clear but states dinner so estimate £20 per person. 3 people from the ICB were invited and declined the invite, myself MH and JK	Abbott	Declined  As this event was likely intended to influence the ICB's priority setting, policy and decision making around this ineligible cohort. Also, would be inequitable as there are other CGM suppliers who we commission.
